

Blue Ridge Land Conservancy Internship Program

Overview

The Blue Ridge Land Conservancy is pleased to offer a competitive, paid internship program to college students wishing to explore careers in conservation or non-profit administration. The program will provide students with real-world experience in completing new land conservation projects and working in the field to monitor previously conserved properties, in addition to general nonprofit administration including fundraising, organizing special events, marketing and public relations and working with volunteers.

The Blue Ridge Land Conservancy staff will work each selected intern to identify their interests and craft achievable goals to be completed during their internship period. Internships are typically 120 to 140 hours but are flexible depending on the applicant's needs. Interns will be paid \$10 per hour for the summer 2021 internship period. Housing may also be available during the Summer internship period for out-of-town applicants, at no cost to the intern, at the Mill Mountain Theatre Atelier, located in downtown Roanoke near the BRLC offices. Interns will be responsible for their own food, transportation and other costs.

Internship period and application windows are as follows:

<u>Internship period</u>	<u>Application deadline</u>	<u>Notification of decision</u>
January terms	Oct. 15 of the prior year	Nov. 1 of the prior year
Spring semester	Nov. 1 of the prior year	Nov. 15 of the prior year
Summer	March 1	March 15
Fall semester	June 1	June 15

Applications will not be accepted after the deadline unless the internship has not yet been filled, in which case the application window will remain open until filled.

An application, a college transcript, and a current resume (with three professional or academic references) should be sent prior to the application deadline to:
